"Where Fire Safety Is A Way Of Life"

April 11, 1989

We received your letter containing the specifications and sample of your Flame Stop Materials.

We will accept this material which was tested by the Omega Point Laboratories, Inc. of San Antonio, Texas. This letter grants approval to market Flame Stop Putty and Flame Stop Caulk in Kansas.

If any questions should arise, please refer them to our office. Your cooperation is greatly appreciated.

Sincerely,

JOHN A. EARHART
State Fire Marshal
